## **EPISCOPAL RELIEF FOR HURRICANE VICTIMS**

We respond to storms in the United States and U.S. territories through our U.S. Disaster Program. Through our partnerships with Episcopal dioceses, we offer resources and training to help people prepare for disasters and provide emergency support so vulnerable people can make a sustained recovery after the storm. The benefit of our partnership with Episcopal churches is that these congregations are already deeply integrated within their communities. In other words, the Episcopal Church is there before responders arrive and will remain long after the news cameras have gone. You can help provide critical relief to affected communities by donating to our Hurricane Relief Fund. To donate and read the latest updates, visit <https://support.episcopalrelief.org/hurricane-relief>.
